PROFESSIONAL SUMMARY

Software Developer with 1+ year of experience building enterprise approval and ticketing applications using PHP, Laravel and MySQL, with SAP integration. Worked on four production applications, including one built independently. MCA graduate (CGPA 9.22/10, Anna University 10th Rank).

TECHNICAL SKILLS

Backend & Databases: PHP, Laravel, MySQL, RESTful APIs, CodeIgniter, Java, Spring Boot, Node.js, Express.js, MongoDB
Frontend Development: HTML, CSS, JavaScript, Bootstrap, React.js
Tools & AI-Assisted Development: Git & GitHub, Postman (API testing), VS Code, IntelliJ IDEA, GitHub Copilot, ChatGPT, Claude, Gemini, Amazon Q, Zencoder
Core Concepts & Programming: Object-Oriented Programming (OOP), Data Structures and Algorithms (Fundamentals), Debugging, Performance Optimization, Python (Basics)

PROFESSIONAL EXPERIENCE

Trainee Software Developer | Hema's Enterprises Private Limited, Cuddalore, Tamil Nadu | Dec 2024 – Jan 2026

- Developed and supported enterprise approval and ticketing applications in a live production environment using PHP, Laravel, CodeIgniter, React.js, Java and MySQL.
- Started on iView under a senior developer, then took over its maintenance, enhancements and support; independently built the Sales Return application from the start.
- Built role-based approval workflows with email notifications and SAP integration; worked with business, QA, SAP and support teams to turn requirements into features.
- Debugged and tested applications (APIs with Postman), optimized database queries, and assisted with production deployments with minimal downtime.

PROJECTS

iView Invoice Ticketing Platform | PHP, Laravel, MySQL, SAP API integration

- Took over ownership of a multi-stage invoice ticketing platform used across multiple companies and sub-organizations, handling maintenance, enhancements and support.
- Worked on the approval and rejection flow (a rejected ticket returns to the previous assigner), email notifications, daily summary emails, reminders that escalate to a supervisor, and SAP PO validation through an API.

Sales Return Approval Workflow System | React.js, Java, MySQL, SAP integration

- Independently designed and developed an application that automatically receives sales return requests from SAP and validates shelf life against the manufacturing date.
- Built a two-level (L1, L2) approval workflow with reject handling and automatic email notifications to zonal managers.

Bill Tracker | Laravel, MySQL

- Developed a bill tracking application for package submissions across multiple designations, with structured authorization workflows, respective approver logins and real-time status tracking.

MyBuddy–Xenon Sales Integration System | CodeIgniter, React.js, Java, MySQL

- Integrated the MyBuddy sales workflow with the Xenon platform to support ASM and RSSM approvals, and synchronized employee, salary and sales reporting data across both systems.

Leave Tracker | Personal Project | React.js, Node.js, Express.js, MySQL, JWT

- Built independently a leave management application with JWT authentication, employee, manager and admin roles, working-day calculation using a holiday calendar, overlap checks, balance deduction in database transactions and an audit log.

Dynamic Issue Tracking and Status Notification System | MCA Project | Laravel, MySQL

- Developed a web application for hardware and software issue tickets with authentication, image uploads, multi-level approve or revert review with remarks, an admin view, activity logs and real-time notifications.

A3 Music Website | BCA Project | HTML, CSS, JavaScript, PHP, MySQL

- Developed a responsive web-based music platform to browse songs, artists, albums and playlists, with dynamic content rendering and efficient data handling in PHP.

EDUCATION

Master of Computer Applications (MCA) | 2023 – 2025
Krishnasamy College of Engineering and Technology, Cuddalore, Tamil Nadu | Affiliated to Anna University
CGPA: 9.22/10 | Anna University 10th Rank

Bachelor of Computer Applications (BCA) | 2020 – 2023
St. Joseph's College of Arts & Science, Cuddalore, Tamil Nadu | Affiliated to Thiruvalluvar University
CGPA: 8.15/10
